

KEY OF A

One Gentle Step

The lullaby from Episode 3, The Slow Hello.

INTRO

A E F#m D A E A

VERSE 1

By the waterhole at dusk I stand,

Kicking stones across the sand.

Behind the reeds someone hides,

A quiet friend with fearful eyes.

VERSE 2

Step by gentle step we go,

Fast and slow, we'll take it slow.

Different hearts can find a way,

Friends can bloom most any day.

CHORUS

One gentle step at a time,

One gentle step, yours and mine,

Pebbles roll and fireflies glow,

One gentle step, watch us grow!

VERSE 3

You tried to stretch up tall like me,

I scrunched down low as low could be.

We laughed until the stars appeared,

And found that different's nothing weird.

CHORUS

One gentle step at a time,
One gentle step, yours and mine,
Pebbles roll and fireflies glow,
One gentle step, watch us grow!

INSTRUMENTAL

BRIDGE

Some hearts beat fast,
Some hearts beat slow,
But friendship doesn't need to know.
Whether you're quick or you take time,
Your pace is yours, and mine is mine.

FINAL CHORUS

One gentle step at a time,
One gentle step, rain or shine,
Every moment something new,
One gentle step, me and you.
One gentle step,
Pause...
me and you.
